We make these all-natural, homemade treats right in our own kitchen. Taste tested by Booker and Bella, our two Jack Russell Terriers who are also our inspiration for Beg.

## almost human peanut butter cookies

sweetened slightly with honey, your human will be stealing some for themselves when you're not looking.

natural peanut butter, honey, vegetable oil, whole wheat flour, wheat germ, rolled oats, baking powder

## carob dippers

ask for dog breed, holiday or heart-shaped treats! carob is your dog's version of chocolate and completely safe.

natural peanut butter, whole wheat flour, cage-free eggs, reduced-fat milk, wheat bran, unsweetened applesauce, carob

## wheat-free dippers

free of wheat, corn and soy!

natural peanut butter, brown rice flour, cage-free eggs, reduced-fat milk, oat bran, unsweetened applesauce, carob

## spinach & carrot doggles

we can them doggles because it sounds better than bagels. we poke the holes ourselves!

fresh spinach, carrots, white flour, whole wheat flour, vegetable oil
